New Business:
The only item on the agenda is a Petition for Aid from Richwood Township on Pleasant School Road. This petition to replace a drainage structure with a bridge just west of Dunham Road. We have started preliminary engineering and are approximately 80% complete. We will be starting shortly on obtaining right of way and plan to bid it this summer with construction this summer or fall.

The estimated cost for this structure is $371,000.00 which will be funded with Township Bridge Funds in the amount of $280,000.00 and the County and Township will split evenly the remaining $91,000.00. Gary Krueger made a motion to approve the Petition for Aid as presented, seconded by Dave Crone. Motion Carried 6-0.

County Engineer's Report:

We have been continuing boom mowing along the township roads, the county roads have been completed. We have been performing brush removal around the bridges in the county. Lax Cemetery Road was opened on January 19th to the traveling public after the replacement of the box culvert. The only remaining item to do is seeding.
